

Premium Protective Film

Q1® Premium Protecting Film is a clear HDPE protective sheet treated to ensure paint adhesion of both solvent and waterborne paints specific for vehicle painting jobs.

It has an excellent paint adhesion due to its electrostatic property result of corona treatment and the composition of the raw material with specific additives.

Q1® Premium Masking film clings to vehicles and has centred printing to help with alignment.

Features

- Corona treatment to obtain maximum adhesion of paint
- Translucent to assist in the moving of vehicles
- Sheeting clings to the vehicle and has centred printing to help with alignment
- Excellent adhesion
- Temperature rating +230°F / 110°C
- Solvent resistant
- Easy roll release

Benefits

- Paint-retaining surface
- Resists tearing
- Resistant to solvents
- No bleed-through
- Easy to use dispenser box – Fast Application
- Statically charged for easy masking

Available Colour

Clear

Temperature Resistance

230°F / 110°C

Product Reference

Part#	EU Size	Pcs/ Case
PFO24	4 m x 150 m	1 roll/ box
PFO34	4 m x 300 m	1 roll/ box
PFO25	5 m x 120 m	1 roll/ box
PFO26	6 m x 110 m	1 roll/ box
Part#	US Size	Pcs/ Case
PFO12	12ft x 400ft/ 3.66m x 122m	1 roll/ box
PFO16	16ft x 350ft/ 4.9m x 107m	1 roll/ box
